The Bellevue-Highline-Sno-king rental sets of armor (bogu) are stored at Highline Dojo (Steve Cox Memorial Park-King County Parks, 1321 sw 102nd Seattle). At current rental rate per quarter of \$40 it takes 10 qtrs to pay for a set of armor, you may rent a set for a few quarters but not a life time. We expect you to buy your own set.

IN ORDER TO GET A RENTAL SET YOU MUST DO THE FOLLOWING:

Make an appointment with Marsten sensei (he has keys to the building) to go check out a set.

Check out means get fitted and a set issued to you. This is after you have done the on-line registration through our website. He will get a list of those that have registered.

Under non-Covid circumstances you must join BHS to rent our bogu. This is because joining BHS provides liability insurance in case you injure someone. If you only practice at the parks department your parks registration does this but you may not practice outside of your club.
